5 Client Demo Video Recording Script (8 Asan Scenes)

Screen recorder on karein aur microphone par yeh script aaram se bolein:

Scene 1: Introduction (Software Ka Taaruf)

0:00 – 0:45 (45 Sec)

Screen: Dashboard Home Cockpit (/dashboard)

"Assalam-o-Alaikum! Aaj hum PharmaDist Wholesale Medicine Distribution ERP ka live walkthrough dekhenge. Yeh software khas taur par medicine distributors aur stockists ke liye banaya gaya hai. Yeh 100% offline chalta hai aur baghair kisi internet ke office ke tamam computers aur salesmen ke mobiles ko Wi-Fi ke zariye aapas mein connect kar sakta hai."

Scene 2: Dashboard Metrics

0:45 – 1:15 (30 Sec)

Screen: Dashboard Cards & Expiry Feed

"Dashboard par ek glance mein aaj ki sale, cash recovery, pharmacies ka total udhaar, aur factory ke baqaya paise live update hotay hain. Sath hi agle 30 dinon mein expire hone wali dawaiyon ke live alerts hain taake godown mein koi maal zaya na ho."

Scene 3: Factory Stock Intake (GRN)

1:15 – 2:15 (60 Sec)

Screen: Procurement → Purchase Intake (/purchases/new)

"Ab hum factory se maal dakhil karte hain. Humne Getz Pharma select kia, dawai Augmentin chuni, batch number daala, expiry date daali, aur Rack location B-4 select ki. Submit karte hi yeh batch hamare godown stock mein shamil ho gaya."

Scene 4: Wholesale Sale & FEFO Engine

2:15 – 3:45 (90 Sec)

Screen: Wholesale Sales → New Sale Order (/sales/new)

"Ab hum pharmacy ko bill banate hain. Humne Al-Shifa Medicos chuna — notice karein inka credit gauge aa gaya ke purana udhaar kitna hai. Jaise hi dawai dali, system ne First-Expire First-Out (FEFO) ke mutabiq sab se pehle expire hone wala batch khud select kar liya taake koi expired batch godown mein na phansay."

Scene 5: DRAP Single-Page Tax Invoice & Challan

3:45 – 4:30 (45 Sec)

Screen: Invoices List → Print Icon (/invoices)

"Yeh dekhein, system ne foran DRAP standards ke mutabiq A4 size ka professional Wholesale Tax Invoice generate kar diya jisme batch number, expiry date, Trade Price aur warranty stamp hai. Sath hi delivery boy ke liye bina rate wala Delivery Challan print ho jata hai."

Scene 6: Cash Recovery & Money Receipt

4:30 – 5:15 (45 Sec)

Screen: Finance → Collections (/payments)

"Jab salesman market se recovery laye, toh Payments par ja kar Record Collection par click karein. Amount Rs. 50,000 daali, system ne FIFO rule ke mutabiq purana bill pehle clear kar diya aur customer ke liye instant Money Receipt print ho gayi."

Scene 7: Profit Cockpit

5:15 – 6:00 (45s)

Scene 8: Backup & Closing

6:00 – 6:30 (30s)

"Yahan Profit cockpit par distributor apna asal Gross Profit aur tamam kharchay nikaal kar Net Profit dekh sakta hai."

"Aakhri baat: Settings mein ja kar ek click par poore database ka backup download karein. Shukriya!"
